To,

The Deans/Principals of all the Medical Colleges/Institutions in India
(As per list attached)

Subject: Implementation of the guidelines framed by the Medical Council of India to curb the menace of ragging in medical colleges.

Sir/Madam,

I am directed to invite your kind attention to this office circular No. MCI-34 (1)/2009-Med/19639, dated 21.02.2009 and subsequent reminder dated 27.03.2009 whereby you were requested to implement the guidelines framed by the Medical Council of India to curb the menace of ragging in medical colleges and submit the status report on the compliance. The said guidelines are being reproduced as under:-

- (1) *Every students for the purposes of his/her admission to Medical College shall furnish a Character Certificate from the institutions wherefrom he/she has passed his qualifying examination, which would mention the status of his/her behavioral pattern specially in terms as to whether he/she has displayed persistent violent or aggressive behavior or any desire to harm others.*
- (2) *The admitting medical institution shall keep intense watch upon students who has a negative entry in this regard.*
- (3) *An annual undertaking signed by each student, whether fresher or senior and his/her parent (s) jointly stating that each of them have read the relevant instructions/regulations against ragging, as well as punishments, and that if the word has been found guilty he/she shall be proceeded against, shall be procured.*
- (4) *Such an undertaking shall be furnished in English as well as in vernacular (mother tongue of the parent) at the beginning of each academic year by every student.*
- (5) *An undertaking to the similar effect should be obtained every year from each student admitted to the hostel.*
- (6) *The undertaking should be appended to the brochure containing the guidelines and other relevant instructions in regard to ragging and consequences of indulging in ragging.*
- (7) *The compliance to the above effect shall be ensured by each of the affiliating university to which the concerned medical institution is affiliated and would be verified by the council annually.*
- (8) *In order to ensure the 'ragging free environment' in the campus, each institution shall compulsorily in the 'prospectus' and other admission related documents, shall depict the earlier directions of the Apex court and/or of the Central or State Governments as applicable, so that candidates and their parents are sensitized in respect of the prohibition and consequences of ragging.*
- (9) *Each institution should engage or seek the assistance of 'professional counselor' at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, specially for adjusting to the life in hostel.*

- (2) Each institution shall ensure that remedial action is initiated and completed within a week of the incident itself, so that complainants do not linger and allow either interest in pursuing the matter to wane or enable the subjects to tamper evidence or influence witnesses.

However, perusal of the records, it is noted that no compliance has been submitted by you in the matter till date.

In view of above, I am directed once again to request you to implement the above mentioned guidelines and take immediate action in the matter, accordingly and submit the compliance immediately, failing which the facts will be communicated to the High Level Committee constituted by the Hon'ble Supreme Court of India to curb the incidence of ragging in medical colleges and also will be placed before the Hon'ble Supreme Court through the Council Advocate.
