Re: Goa Medical College, Goa - Increase of MBBS seats from 100 to 150 for the academic session 2012-13 - regarding.

In continuation to this Council's Letter of Intent dated 11.05.2012 and with reference to your letter dated 23.05.2012, I am directed to convey the approval of the Board of Governors for the increase in MBBS seats from 100 to 150 at Goa Medical College, Goa under Goa University, Goa with prospective effect i.e. from the academic year 2012-2013 w/s 10A of the IMC Act 1956, as amended.

This permission of the Board of Governors, Medical Council of India for increase of seats and admission of students against the increased intake is initially for a period of one year subject to renewal on annual basis on achievements of annual targets set out in the project report and verification thereto by the Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- (i) No admission is permitted beyond the sanctioned intake capacity;
- (ii) Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- (iii) No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulations of Medical Council of India. In case false/wrong declaration or fabricated documents have been used in procuring permission of the Board of Governors for the increased intake and the said information is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the increased intake for the next academic year and this letter of permission for the increased intake is liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

Yours faithfully,
Principal, Goa Medical College, Bambolim, Goa.
